Dear Parents and Champions,

Often times it happens that we do not bother to explore the available website prior to asking questions. It’s natural, one just wants to hear directly from the horse’s mouth. Sometimes it becomes a little difficult in getting things done on time as planned because of several factors besides being a non-profit organization where everyone is a volunteer. This means, people helping the organization are going beyond the call of duty to extend their efforts to make it happen. Therefore, patience, support and cooperation is greatly appreciated from all the parents participating.

This is a brief information letter for everyone about the Do’s and Don’ts. Please help us to help you all and make this 25th anniversary a grand success. We are confident every Parent will participate and encourage us in making this a real success that can be remembered for a long time to come. We will assure you every Volunteer Nationally and locally is making every effort to bring this out with flying colors.

Very Important: Please come on Friday evening to pick up your packages between 5:30 PM To 8:30 PM to avoid next day delays of conducting the contests. Take a tour around the beautiful University Arena and check the classrooms in advance. Any questions, please go to help desk and get all the answers.

All necessary information regarding Hotels, Car rentals and Flights plus DFW places to look around is given on our website. Please check it out.

Cleanliness: No one is allowed to eat in any classrooms or auditoriums, please do not take your food to classrooms. After eating make sure to dispose properly in designated areas of trash cans. Do not throw away empty water bottles all over the place.

Our Meet the pros are the best presenters of information for future contests and how to become better in achieving the highest levels in these contests. Do not miss it, check out your program schedules given in registration packages.

Finally, please attend all Parent activities and help support our sponsors by going to their presentations in large crowds to listen and get valuable information from them. Check out our website under 2014 Nationals for all the information.

Our humble thanks to one and all and pardon us if we have made any errors or omissions because they are not intentional.
