2021 NorthSouth National Finals Starts August 14, 2021

We are very pleased to announce that we will be conducting the NorthSouth National Finals for 2021 this summer.

Like many events across the globe, the pandemic forced us to cancel the 2020 National Finals that was to be held in Seattle, Washington last summer. We missed seeing many of you there.

The finals will be held online over multiple weekends starting August 14, 2021.

We will be using Zoom Video and Web-based testing platform developed by NorthSouth Foundation. Detailed schedule and announcements will be posted here after the regional contests are completed.

In 2019 at the National Finals held at MIT, we hosted over 4500 guests including the contestants and their families. It was a fun event for all!

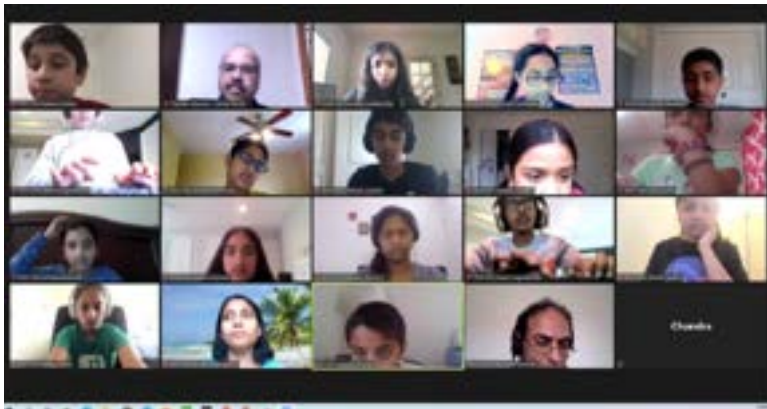

We are looking forward to hosting the virtual National Finals this year. Don't forget to register for the regional contests, and qualify to experience the NorthSouth National Finals Online Contests !!
